Overview of CDCLI

Community Development Corporation of Long Island (CDCLI) was founded in 1969 when government, business and civic leaders on Long Island came together to address the growing demand for affordable housing. That strong tri-sector support continues today.

CDCLI is a regional and national leader in affordable housing and community development, with high standards of performance and a desire to identify and implement creative ways to solve problems and empower residents in the community.

CDCLI is committed to making dreams of long-term economic stability come true. As a chartered member of NeighborWorks®, CDCLI is certified to meet a high standard of fiscal integrity and service performance to assist local residents in achieving their dreams.

With our mission to “invest in the housing and economic aspirations of individuals and families by providing solutions that foster and maintain vibrant, equitable, and sustainable communities,” CDCLI maintains steadfast in its commitment to its three pillars of focus:

- (1) Community Development and Housing for All
- (2) Economic Stability
- (3) Advocacy

The Opportunity

This is an exciting opportunity to join a growing, award winning company that is at the forefront of the sustainable housing community on Long Island. The position is ideal for a human services or banking industry professional with exceptional customer/client service.

One of CDCLI’s fundamental pillars is “Community Development and Housing for All.” To achieve that, CDCLI provides full service housing counseling through its Home Ownership Center.

CDCLI’s Homeownership Center offers grants, loans, training, and other assistance to help people achieve and sustain healthy homeownership and to gain financial independence. The Home Ownership Center provides pre-purchase programs including First Time Homebuyer Education and Financial Fitness Education and Coaching, providing detailed information about the mortgage and acquisition process, the financial and material obligations of being a homeowner, how to modify spending behavior, increase savings, and correct credit blemishes before pursuing homeownership. Post-purchase counseling is also available to assist senior citizens with reverse mortgage counseling to determine if tapping into their home’s equity makes sense for them and to advise homeowners at risk of foreclosure of their available options for home retention or transitioning out of the home, including navigating ratios, modifications, and refinance options.

In addition, our Home Ownership Center provides a hands-on Home Maintenance Training course that educates participants about basic home repairs, including sheetrock installation,

plumbing, and electrical safety, and provides the necessary knowledge for homeowners to speak intelligently with contractors.

Whether the client is a prospective first time homebuyer, a renter dreaming of homeownership, a homeowner facing default, or interested in learning about home maintenance, CDCLI's comprehensive services are designed to make lasting impacts.
