I, \_\_\_\_\_, consent to have home repairs completed at  
\_\_\_\_\_, a residence that I own.

I acknowledge that this is my primary residence. I acknowledge that I will be required to sign a grant enforcement note and mortgage that will secure the funds used to complete the repairs, which will result in a lien being placed on my home for a period up to 10 years. I acknowledge that this amount will include all costs associated with the project, including actual construction costs, testing costs for lead and asbestos, mortgage recording fees, and CDCLI's project management/administrative fees.

In addition, I acknowledge that I have received a copy of this security instrument, reviewed its contents, and understand the conditions therein. I acknowledge that it will be recorded against the property once work is completed and that like any other mortgage, it may impact the ability to secure additional mortgages during the occupancy period. I agree to execute such instrument when prompted to by CDCLI.
